To all area engaged couples and neighboring parishes:

We at Precious Blood and St. Bruno's parishes are again offering our Pre-Marriage Seminar. The day is designed to provide the required pre-marital formation for a Catholic Wedding. Our team of married couples will present the seminar. Most of us, on the team have worked together for several years.

This pre-marriage seminar/workshop day is offered twice each year, spring and fall. The Fall seminar will be on Saturday, September 25. The next Spring seminar will be scheduled for a Saturday in March, 2005.

We ask parishes (or couples) to contribute \$20.00 per couple, if possible, to cover meals and expenses. There is no other cost.

Many new couples come with happy expectations, having been told about us by friends who came ahead of them. Each new workshop gets a little bit better as we continue to grow under the eye of our pastor, Fr. Mathew Perumpally.

To pre-register, or for more information, please call Ruth or Howard Mondloch, 906-753-2599, or call our parish office at 906-753-2562. Pre-registration is a great help to us, but late registrations will be welcomed.

Parishes are requested to announce this Pre-Marriage opportunity in their bulletin and post copies of this announcement in an appropriate place..

Please keep this day in your prayer. We look forward to serving you.

In the Joy of Jesus,

Ruth and Howard Mondloch
Team Coordinators

P.S. If you know of young already married couples who would like to be future team members, we would welcome hearing about them.
