

P-075 PRAYER OF COMMITMENT

Dear Father God,

I believe you created me (name) _____, for a
special purpose
that no one else can fill.

I believe you love me very much and want me to be
happy with you now
and forever.

You love me so much that when you saw I would be
caught in the deadly
trap of eternal sin, you sent your only Son, Jesus, who
had to die on the cross to set me free.

Then when He rose from the dead He made it
possible for me to rise with Him from the terrible Hell
of sin.

I know,
even if I were the only sinner in the world, Jesus loves
me enough, He would
still have died just for me alone.

Father God', I want to accept this gift of Jesus. I
want to live by
Your plan for my life. I believe that is the only way I can
be fulfilled. I also want to be happy forever with You in
Heaven.

I want to reject all the lies about happiness that come
from popular worldly voices. They seem so smooth and
easy, but are really from my
enemy the Devil.

I have a hard time promising to be a much better person because I know I am weak. I can only promise, to be open to your forgiveness, and to cooperate with your powerful help. Then I believe changes will take place in my life too.

I want a personal friendship with Jesus, Your Son. I hereby trust Him to lead me to Heaven. I open myself to His Holy Spirit. I want to call you Abba, my Father. I want to turn my life over to the direction of the Holy Spirit, to the lordship and protection of Jesus Christ, and the service and glory of God the Father. I want to devote my life to the Kingdom of God.

I accept your Holy Bible and your Holy Catholic Church as Your direct instruments for the guidance and strength to grow in all the giftedness and beauty and talent you offer me, Lord.

I believe and accept that I am a new person today. Thank you Jesus. Thank you Holy Spirit. Thank you Abba God.

Amen, Yes Lord. Amen.
