

## YOUTH GROUP PRAYER

Father in Heaven, we praise you as we come together because of Jesus.

Send your Holy Spirit, like a mighty wind upon our youth community, filling us with that love and enthusiasm only you can give.

Make us into a people of praise and thanksgiving, and a shelter from the hurts of selfish lifestyles.

Draw us together, Lord, that we may strengthen each other with your strength, comfort each other with your comfort, forgive each other with your forgiveness, and bless each other with your love.

May our youth community be a small model of what Church can be, and a glimpse of your Eternal Kingdom, where you will live among us forever and lead us to that fulfillment for which we were created.

Amen. Thank you Lord. Amen
