

In Jesus' Holy Name we greet you , our Holy Mother Mary. We embrace you as the mother of the Body of Christ, which we are. We remember that Jesus alive in us still does all He did in His Bethlehem born body, and He still loves His mother. Through us He wishes to honor you.

Through John, by the cross, He gave you to us as our mother. Dearest Mary, teach us your openness to the Holy Spirit. Because of you, Jesus is our fellow human and our brother. At your urging at Cana, He served his first public miracle.

Therefore, as we might ask our earthly mothers for help and prayers, so we , who are the body of Christ today, ask you, our greatly gifted mother, to please come before God with us, to pray with us and for us, and use the powerful gifts God has blessed you with, to help us now and at the hour of our death. Amen.

Loving Father God, We praise You for the honor and service you manifest in your created beings, especially in the sinless ministry of Mary the mother of Your only Son, Jesus Christ our Lord and Brother. Amen. Hallelujah, amen.

Solve Regina, Hail Holy Queen, merciful mother of Christ, God alive in us; our model of life, sweetness and hope. As human children of Eve we are banished from the full happiness of earthly Paradise; but as your children, we have hope because of your Son, our Brother, Jesus.

To you we send up our cries of anguish from this sin spoiled world. Look at us, and be a merciful spokesperson with your Son before God our Father, that we may be rescued from our human folly and the power of hell, and realize already an experience of the Kingdom of Heaven.

All powerful and everlasting Father, God; You made ready the body and soul of the Virgin Mary by the Holy Spirit, to be a worthy human vessel through whom your only Son was born among us.

Help us who love her too, to benefit from her prayers, now and at the hour of our death. Amen. We ask this through the limitless credits of your Son and hers, our Lord and Brother, Jesus Christ. Amen and amen.

May the same Holy Spirit by whom Jesus was conceived in the body of Mary, enliven Him also in us, now and at the hour of our death. Amen. Hallelujah.

Remember, O most gracious virgin mother of the Body of Christ, that it's never been known, that any one be left unaided when they come to you for protection, or plead for your help, or ask for your powerful prayers. Inspired with this confidence, we come to you, our virgin mother. We stand before you ashamed of our weakness and wrongdoing. O mother of the human Word of God, help us. Please don't refuse our requests, but hear us and use the special gifts and ministries God has blessed you with, to answer our petitions, watch over us, and fulfill our needs, through the limitless merits of Jesus Christ, your Son, our Lord and Brother. Amen

Lord God, through the intercession of Mary, mother of Your Son Jesus, hear and answer us. Amen. Hallelujah.

(Scripture:) Avi Maria, graceful woman, Mary; The Lord is with you. You are chosen the greatly blessed woman, and blessed is Jesus, born of your womb. (Luke 1:28 and 1:42)

(our Response:) Holy Mary, Mother-Bearer of God to us who are the Mystical Body of Christ, pray for us sinners, now and at the hour of our death. Amen.

(Scripture:) I am the servant of the Lord. Let His Word be alive in me. (Luke 1:38)

(Our response) May the same Holy Spirit, by whom Jesus was conceived in the body of Mary, enliven Him also in us, now and at the hour of our death. Amen.

The angel told God's plan to Mary. And the loving presence of the Holy Spirit came upon her with such power, the living Son of God was conceived within her. Avi (Hail Mary).

I am the Lord's servant. I accept His plan for me. Avi...

God's Divine Message became human. And lives among us. Avi.

Lord God, pour Your grace into our hearts, we pray. The news about the human birth of your Son, was announced by an angel. May we , by Christ's suffering and dying, share in the glory of His rising to eternal life. We ask this as members of the Body of Christ alive today. Amen. Yes Lord. Amen,
