

## THE WHALE.

By Michael Mondloch 1999

G C  
The whale will come and get you and spit you on the sand.  
D C G  
The same way he did Jonah in that past and faraway land.

G C  
You are called to a commitment to serve the Lord and King  
D C G  
Be careful where your running or some day you may sing

G C  
The whale will come and get you and spit you on the sand.  
D C G  
The same way he did Jonah in that past and faraway land.

G C  
You can feel his holy presence in the many ways he works  
D C G  
to put whales in you path when he want you to do his work.

D C  
The whale will come and get you and spit you on the sand.  
D C G  
The same way he did Jonah in that past and faraway land.
